

SPIRIT OF FREEDOM is a delightful boat. PLEASE NOTE she is NOT at our wharf, so appointments to view only.

She has been so well looked after, and is ready for immediate very comfortable living aboard or long term cruising.

The bows hold 3 gas bottles and a tumble dryer is in the well deck. Into the saloon which is charming. This is lined out (as is the rest of the boat) in American oak. There is a solid fuel stove, central heating, a dinette and comfortable sofa & chair arrangement. (The freezer is in a pull out drawer under the dinette).

The galley is a lovely curved walk through layout, and the work surfaces are Corian marble effect. Plenty of storage and work areas, and cooking facilities include an eye level oven and microwave.

There are two side hatches with detachable screens in the dinette & the galley.

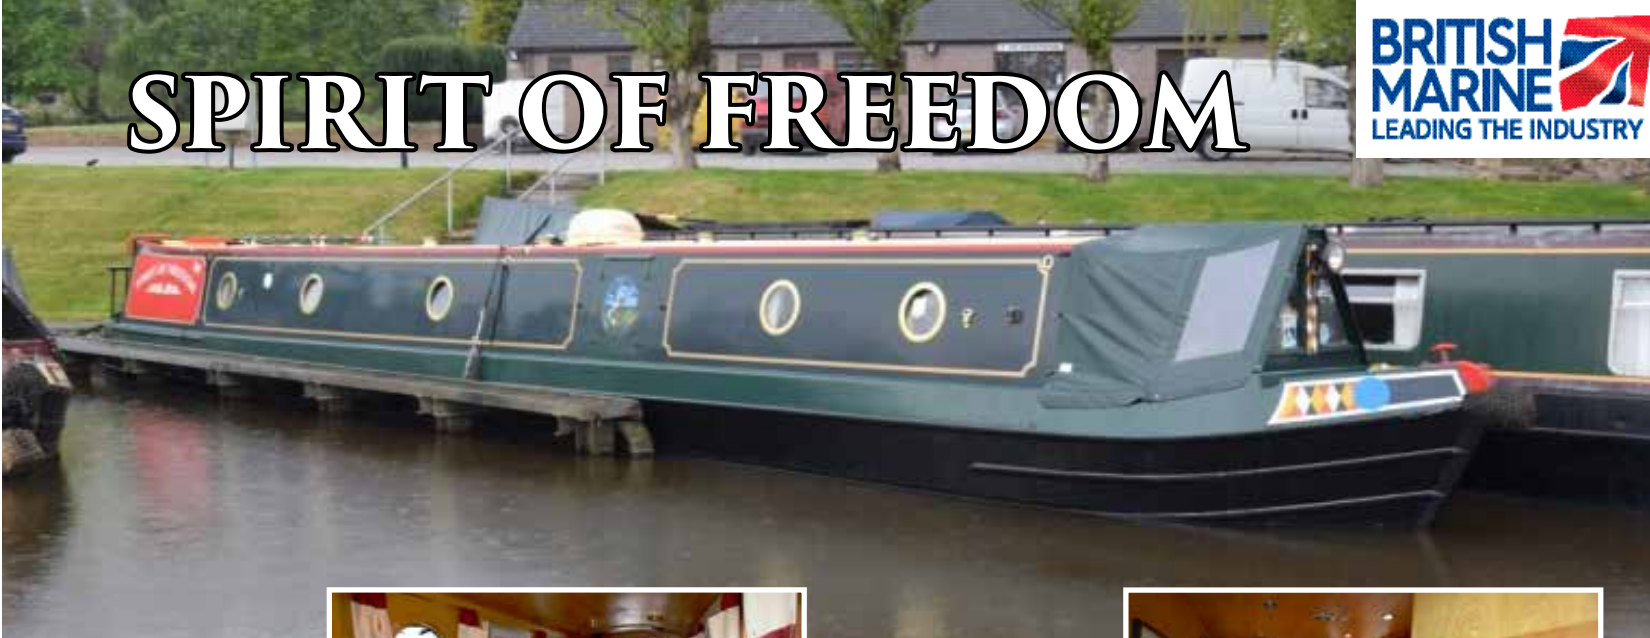

A walk through bathroom follows housing a Thetford cassette, shower over hip bath, ceramic basin, washing machine and heated towel rail.

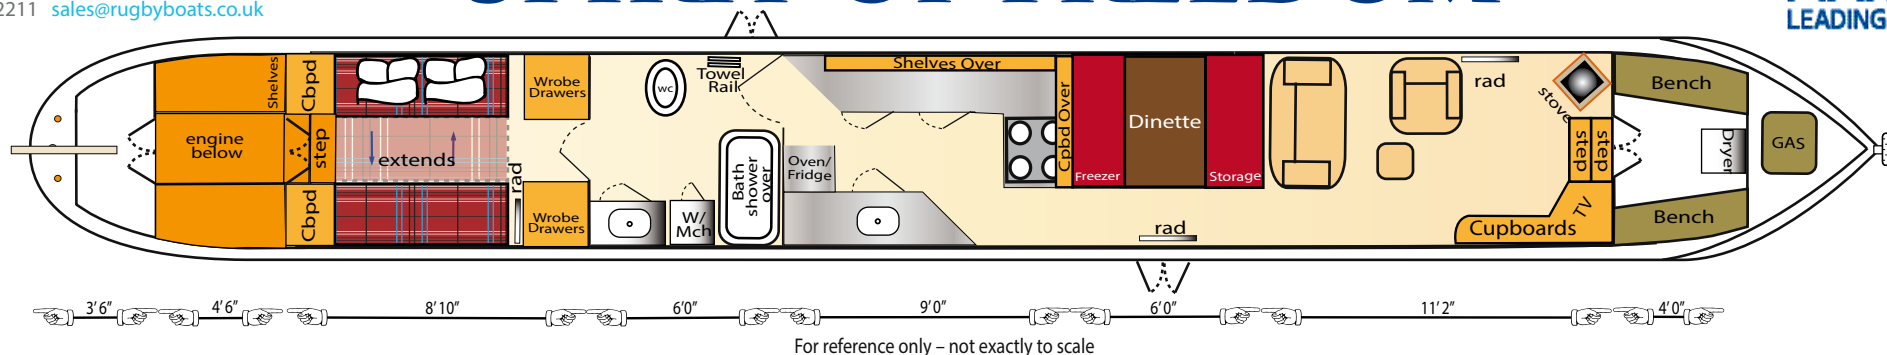

The bedroom has two large wardrobes with drawers under, a cross over double bed and two cupboards.

The stern cabin is accessed from the bedroom and access is really easy for a traditional. The Barrus Shire engine is housed under.

Plenty of accessories on this boat; a 3.5kw gen set, 1.8kw inverter, self seeking satellite & freeview, freezer, Eberspacher central heating, bowthruuster and all the navigation equipment you could need.

SPIRIT OF FREEDOM

MAIN DETAILS

Style: Traditional • **Length:** 58ft • **Berths:** 2 + 2 • **Builder & Fit Out:** Severn Valley Boat Centre •
Steel thicknesses: 10 / 6 / 5 / 4 • **Year:** 2007 • **CIN:** GB-SVCNB806B707 • **Reg No:** CRT 515342 • **Boat Safety:** Dec 2017
