

DIONYSUS

Dionysus is a stunning 58' reverse layout semi-trad built in 2015 by Bourne Boat Builders on a Tyler Wilson shell. She is immaculate inside and out, having been blacked in October 2025, and the engine will be serviced prior to sale.

She is fitted out in oak faced ply, light textured laminate, and oak trim throughout, with oak effect Karndean flooring and oak T&G to the ceiling. She also has double glazed 15" portholes which bring in plenty of light.

The semi-trad cockpit is protected from the elements with a good condition pram hood, with lockers either side and the Beta 43 engine housed below. Navigation is aided by a Vetus 75kgf bowthruster.

Steps lead down into the 17'7" saloon. Roughly divided into two parts, the first features 2 single wardrobes, cupboards, shelves, 32" smart TV and room for additional freestanding furniture. The 5kw Chilli Penguin solid fuel stove also features an oven section on top.

The second half of the saloon features a fixed L-shaped bench (converts to spare double) with drawers under, and a gateleg table (tidied away inside a cupboard). Side hatches either side, with glazed internal doors, and a Houdini hatch over bring in additional light and fresh air.

Next is the 8'0" galley, with more oak cupboards, oak worktop, Thetford oven & grill, Thetford 4 burner gas hob, Sharp microwave, stainless steel sink, water filter tap, Shoreline 12v fridge and separate freezer, Hoover washing machine, kickerboard drawers, a wine rack, and under floor wine storage too!!

Heading forward, the walkthrough bathroom is 5'10" with a quadrant corner shower, Thetford thunderbox style cassette toilet (with 3 spare cassettes), a ceramic basin, and a couple of cupboards.

The 9'9" bedroom is at the front of the boat, with a 6'1" x 5'0" cross bed double berth, storage under and cupboards over, as well as 2 more wardrobes, 2 sets of drawers, and a 12v TV.

Steps lead out, through double glazed stable doors, to the 4'1" well deck, with a good condition cratch cover, and lockers either side. The 760L fresh water tank is housed below, and the gas bottles are in the bow.

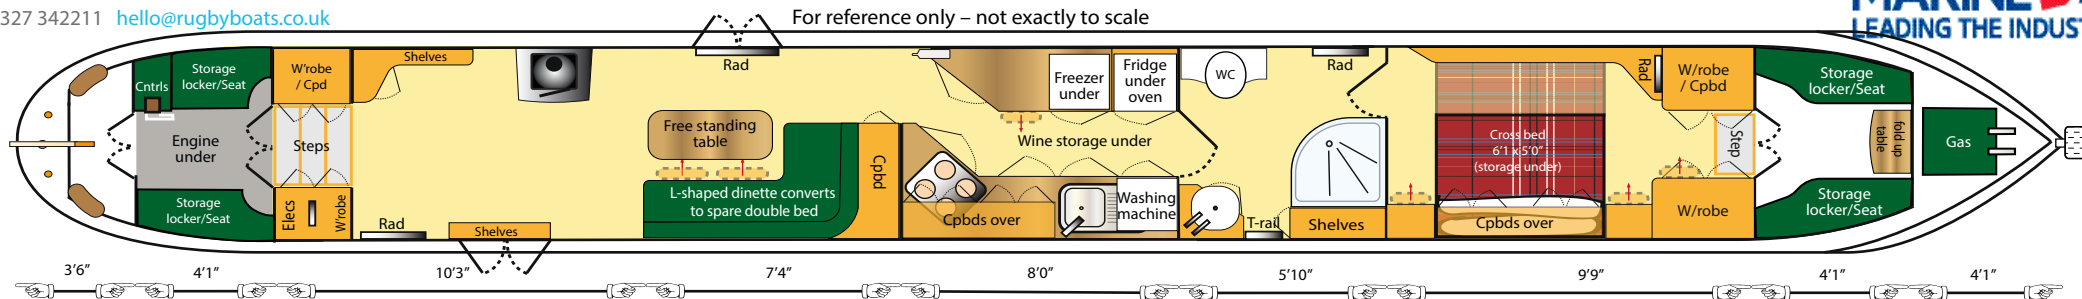

She is centrally heated by a Webasto diesel fired system connected to 5 radiators and a towel rail, with Wifi and phone controlled 7 day timer. Hot water is via the Webasto, engine or immersion.

12v power is supplied by 4x 170ah Victron AGM domestics, with a separate starter and bowthruster supply, topped up by 480w of solar with a solar charge controller. 240v power is supplied by a Victron 3kva inverter/charger, or landline hookup with a galvanic isolator.

Gadgets include 12v LED lighting throughout, 12v CCTV (wifi enabled to phone), Marine WIFI antenna, radio antenna, and WIFI router (requires a SIM).

You won't see many boats with this high spec, and she won't be around long!

For reference only – not exactly to scale

MAIN DETAILS

Style: Reverse Layout Semi Trad • **Length:** 58' 0" • **Berths:** 2 + 2 • **Hull Builder:** Tyler Wilson • **Fit out:** Bourne Boat Builders
Steel thicknesses: 10 / 6 / 4 • **Year:** 2015 • **Reg No:** CRT 523513 • **CIN:** GB-GBBRNC584J515 • **Boat Safety:** Sep 2027

DIMENSIONS

Forward deck:	4' 1"
Well deck:	4' 1"
Bedroom:	9' 9"
Bathroom:	5' 10"
Galley:	8' 0"
Saloon:	17' 7"
